Phase 2

ST ANDREWS WEST

WWW.STANDREWSWEST.CO.UK/LIVING-AT-ST-ANDREWS-WEST

Welcome

Situated within minutes of the historic town of St Andrews, the world's finest golf courses and the beach, this unique development offers a new vision of urban living.

Phase 2 will be the next step towards a new sustainable community in St Andrews West; a contemporary neighbourhood with its roots firmly bedded in the rich history of the town.

Consisting of 16 houses, 8 fishers flats and 38 apartments, this exemplar development has been considerably designed by award-winning architects Studio LBA to complement the surrounding landscape.

Shared streets, dedicated cycle lanes and connections to wider public transport networks will aim to encourage sustainable travel. A central green corridor running through the site connects neighbourhoods and provide a safe social amenity space for residents. Key to the design of this phase is an understanding of the sensitivities of placing a new contemporary development on the outskirts of such a historic town. The design has been developed through careful studies, analysis and gaining an understanding of the wider context of St Andrews.

With active travel connections, quality public open space and appropriate local amenities you can make the most of Living at St Andrews West.

The development is brought forward by 'Headon S1 St Andrews West', a partnership between two highly respected, award-winning developers; Headon and S1 Developments.

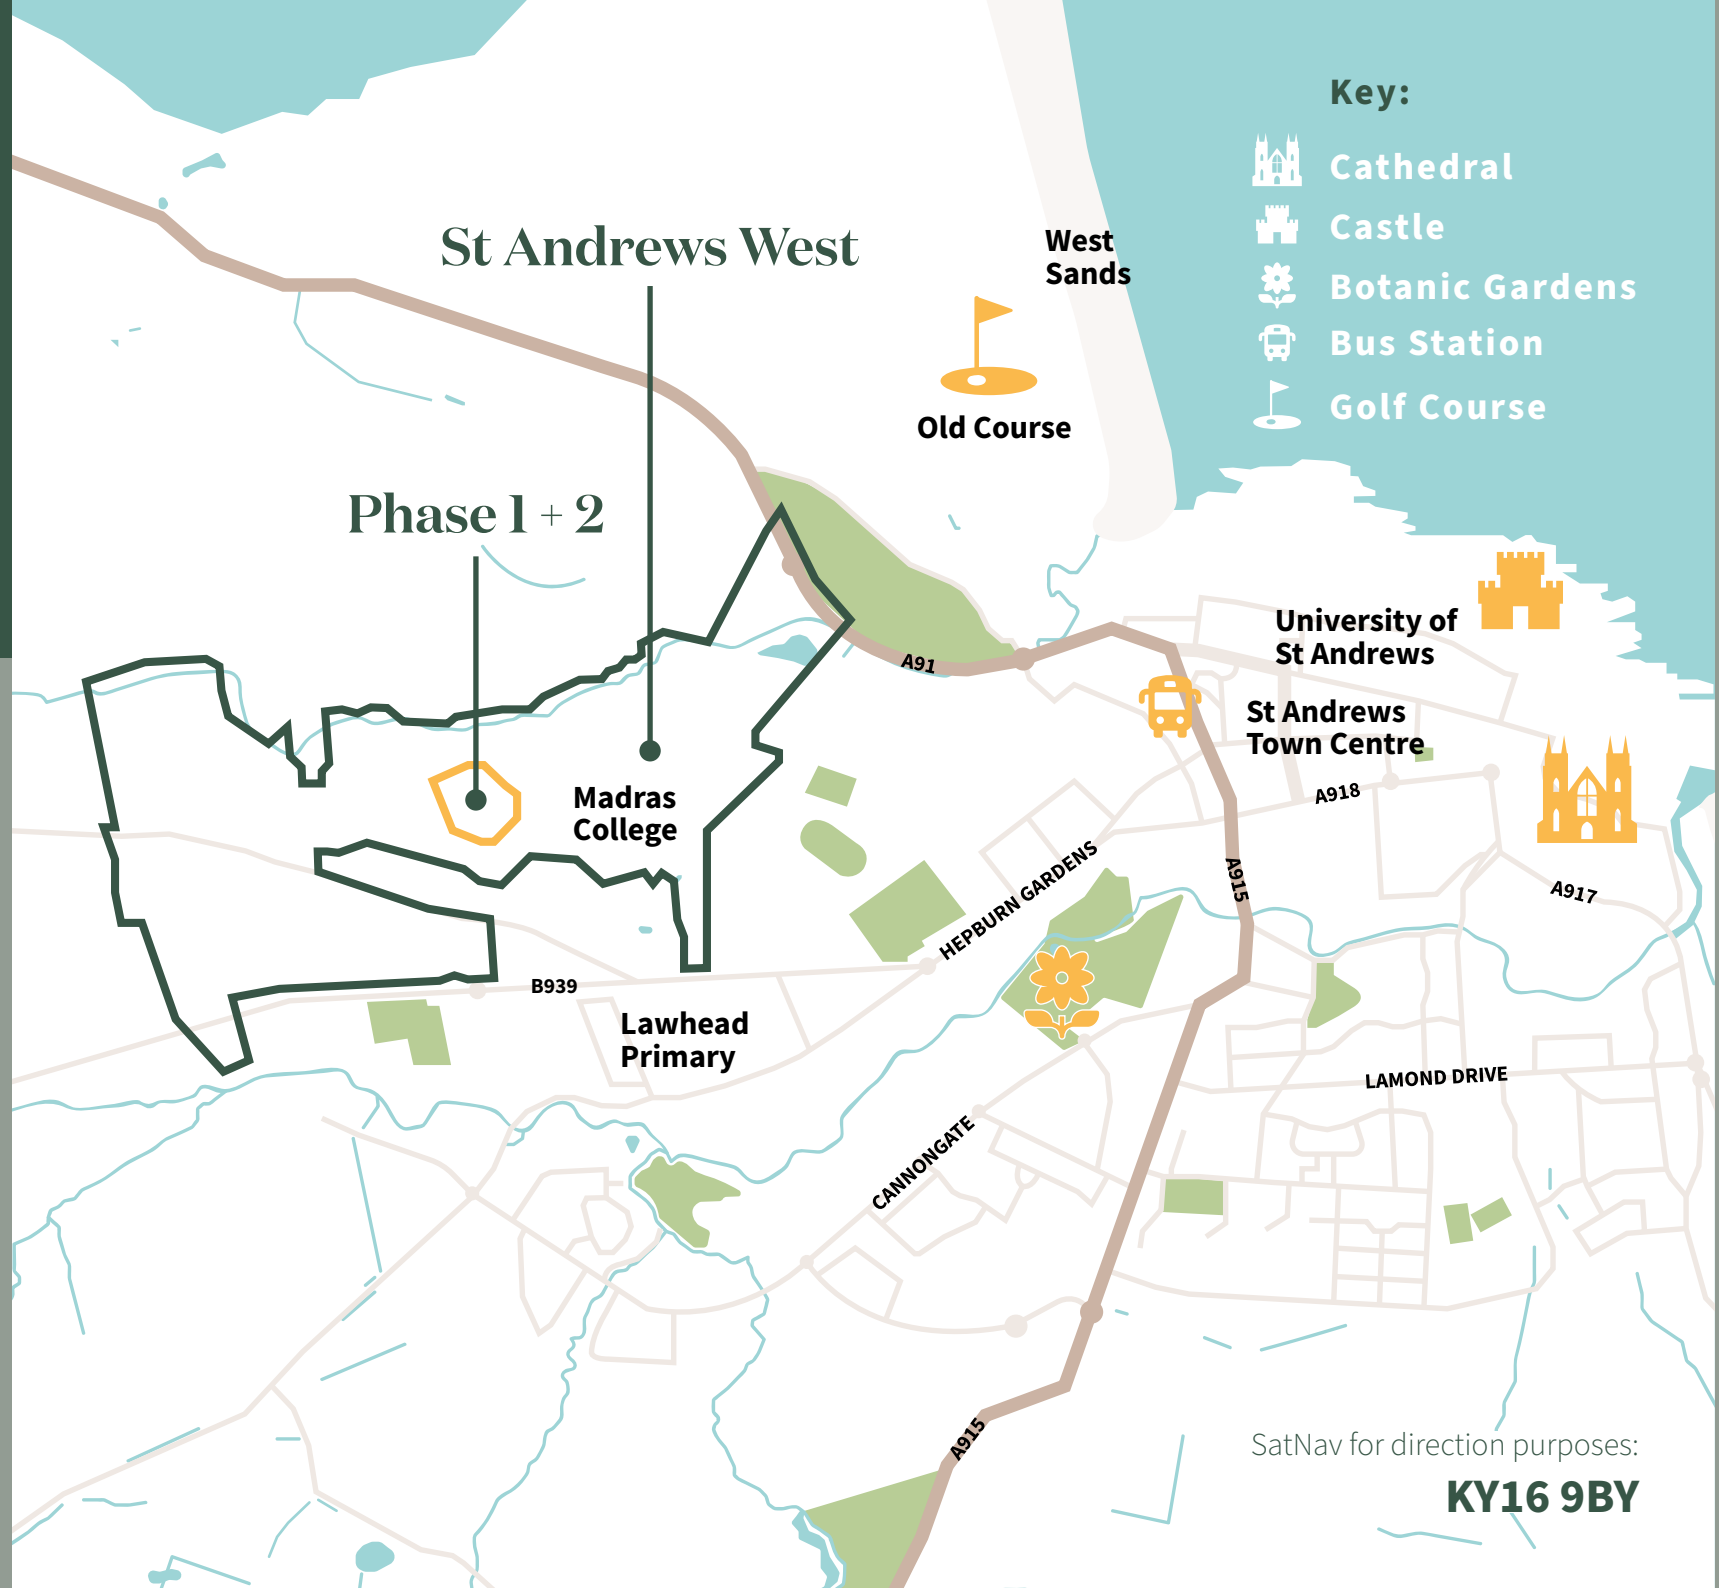

Connecting Neighbourhoods

Everything You Need Within Easy Reach...

St Andrews

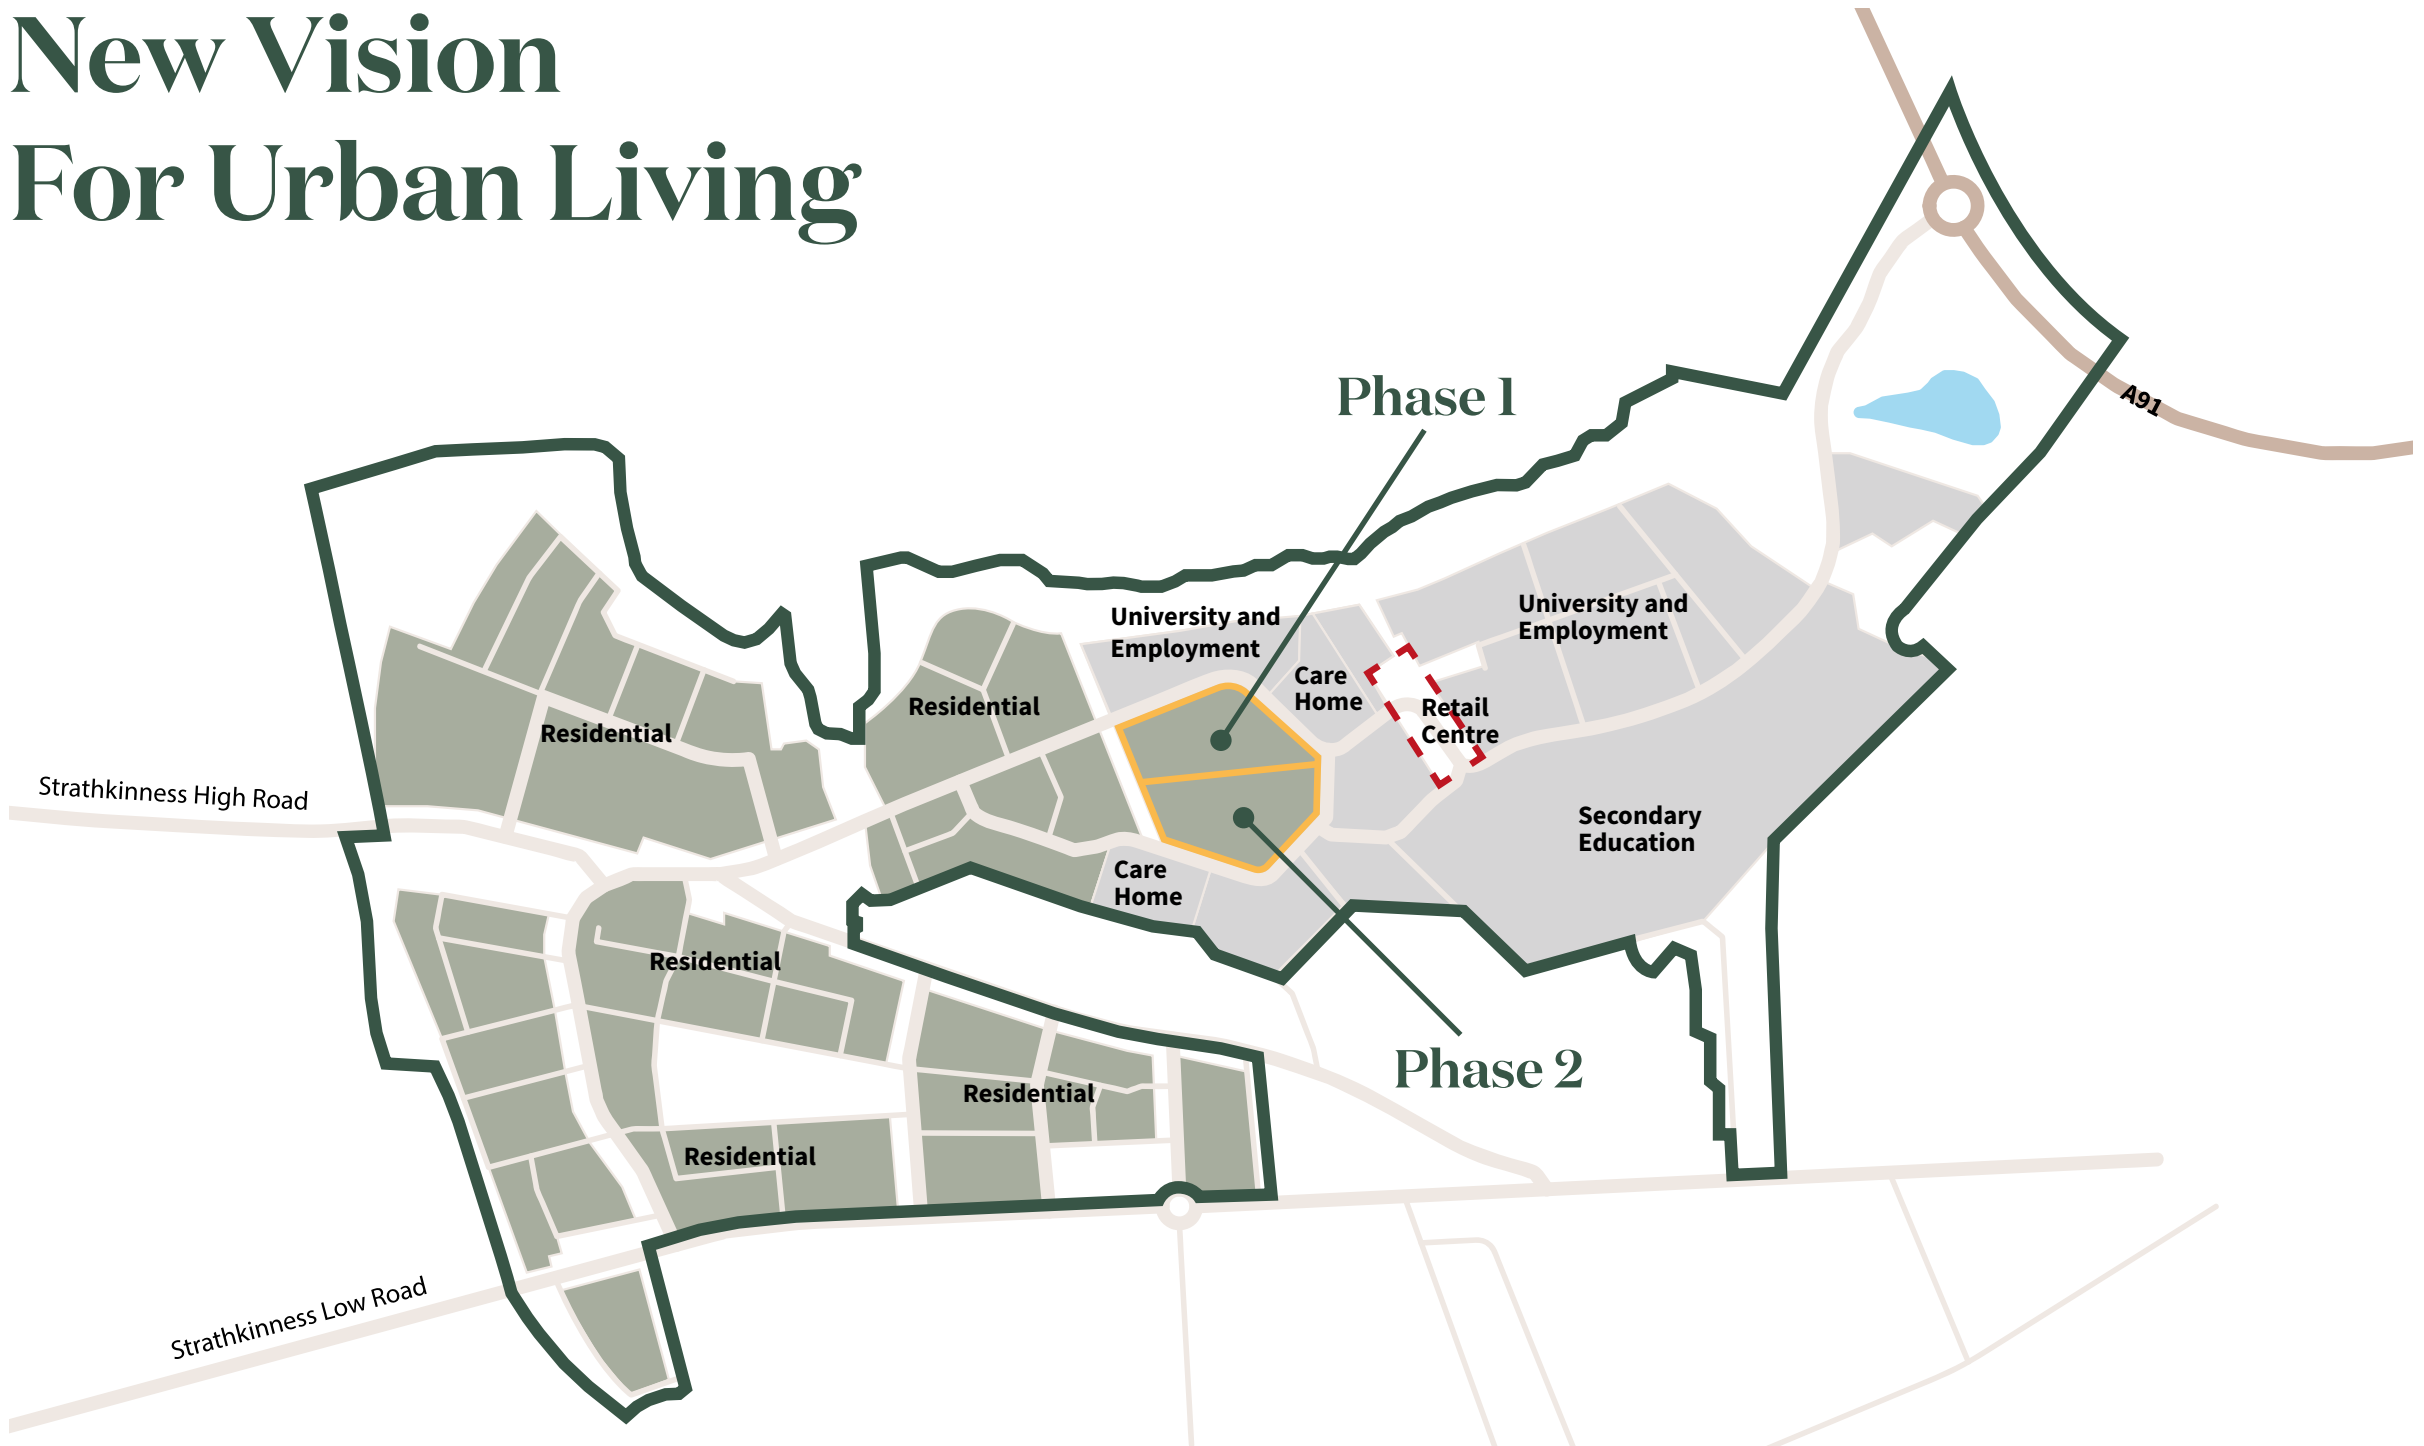

Renowned as the “Home of Golf” and seat of the ancient University of St Andrews, this beautiful coastal town is home to a wonderful local community making it a popular and friendly place to live. The town’s historic centre is prosperous with a superb choice of independent shops and cafés, traditional Scottish pubs, and restaurants serving local produce. Within the town’s high-end hotels there are fine dining options and luxury spa facilities, perfect for a spot of pampering.

Entertainment-wise, St Andrews is home to a lively independent cinema and a thriving theatre, arts and music scene. With beautiful buildings at every turn, history buffs will relish exploring the town’s fascinating architecture including the famous pier and the ruins of its medieval cathedral and castle. St Andrews is a golfing mecca and home to the oldest golf course in the world, the iconic Old Course, plus a further six public courses.

The town’s enviable setting on Scotland’s east coast ensures rolling seascapes and fresh air are the norm. The countryside surrounding St Andrews is as rich in attractions as the town with a trail of pretty coastal villages just a short drive away. Visit local farm shops, watch beach cricket in Elie and enjoy award-winning fish and chips in Anstruther. Slightly further afield, the cities of Dundee, Perth and Edinburgh are within easy reach.

New Vision For Urban Living

THE LINKSHOUSES

THE APARTMENTS

Key Information & Specification

Each of the homes will be designed and built to the highest standard, with the option of customisation the specification will include:

KITCHENS

German manufactured kitchens featuring:

- High quality Silestone worktops
- Solid matt finish handleless door fronts
- Integrated Siemens 70/30 fridge/freezer
- Integrated Siemens dishwasher
- Integrated Siemens single fan oven and grill
- Integrated Siemens microwave oven
- Siemens touch control induction hob
- Under unit LED lighting
- Freestanding washer / dryer located within a separate utility space

Optional upgrades available (subject to Build Stage) on enquiry – Miele appliances, Quooker tap, Silestone splashback / island side panels, premium lacquer door fronts

BATHROOMS

- Wall mounted washbasins
- Bespoke mirror cabinet and shelving
- Wall hung w.c. with dual flush and soft close seat
- Large bespoke feature mirrors
- Shaver and toothbrush charging point
- Contemporary wall mounted heated towel rails
- Matt finished porcelain wall and floor tiles
- Contemporary brushed nickel taps and shower sets

SHOWER ROOMS

- Wall mounted washbasins
- Wall mounted vanity unit
- Wall hung w.c. with dual flush and soft close seat
- Large bespoke feature mirrors
- Shaver and toothbrush charging point
- Contemporary wall mounted heated towel rails
- Matt finished porcelain wall and floor tiles
- Contemporary brushed nickel taps and shower sets

BEDROOMS

- Fitted wardrobes as shown on plans

FLOORING

- Matt lacquered wide timber effect flooring to open plan living spaces and hallways
- Matt finished porcelain floor tiles to all bathrooms and en-suites
- Carpets to all bedrooms

HEATING / VENTILATION

- A sustainable highly efficient heating system (Air Source Heat Pump)
- Thermostatically controlled white panel radiators
- Centralised low energy ventilation system to each kitchen, utility and bathroom
- Heating and hot water can be controlled by Smart Phone
- Underfloor heating throughout lower level

LIGHTING / SOCKETS / MEDIA

- Low energy LED recessed down lights to halls, kitchens, bathrooms and en-suites
- Pendant lighting to bedrooms and living spaces
- White low profile power sockets and switch plates
- Infrastructure cabling for BT Openreach, Grain, SKY and Freeview
