The *Benefits.*

Finding the *right* deal for you.

We apply our specialist experience, expertise, and insight to find a bespoke solution and the right offering for you.

Free initial consultation.

We offer a free, initial no obligation consultation, providing impartial, professional advice and helping you understand the range of financial options available to you.

Reducing your stress.

We deal with the lender and take care of all the paperwork for you, keeping you updated every step of the way. We can also help you with insurance and protection policies. All delivered with the exceptional service that you expect from Rettie.

Quick mortgage turnaround.

We pride ourselves in providing a speedy and efficient service, with a swift turnaround on mortgage applications, consistently outperforming industry standards.

“We came to Rettie after having a pretty bad experience with a different mortgage advisor, who was really unresponsive. We were absolutely panicked as we had 2 weeks to get a full offer in writing or we were going to lose the house we’d reserved. Even with a ding on my credit report and my wife’s immigrant status, they were able to find us a great deal in a quick turnaround, as well as advise on protection plans that suited us.”

Mortgage *monitoring.*

Our mortgage monitoring service continuously compares your mortgage against 1,000's of other deals across the market. If we find a deal that we think will work better for you, we'll let you know and offer you the opportunity to update your current arrangement.

Prime market services.

For those looking for support in the prime and super prime property markets, we provide bespoke mortgage arrangements, access to a network of premium real estate opportunities and tailored financial solutions to optimise your property portfolio.

Meeting *complex* requirements.

We find solutions other people can't; for example, where there are credit history challenges or non-standard ownership issues. We provide information and resources that will ensure you're in the best position to make an informed decision.

There may be a fee for mortgage advice. The actual amount you pay will depend upon your circumstances. The fee is up to 1% but a typical fee is 0.3% of the amount borrowed.

For insurance business we offer products from a choice of insurers.

Your home may be repossessed if you do not keep up repayments on your mortgage.
